Dear Sir,

Your enthusiasm and your ability to motivate your employees has resulted in a significant enhancement and achieving 600,000 man-hours without any LTI has helped us in achieving 5000.000 man-hours without LTI at RSE III Project, Abu Dhabi, UAE.

Dodsal HSE Department appreciates your efforts and the assistance you gave to your workers in HSE matters during construction activities. If we had an award to give, you would be the key contender.

Please accept my sincerest gratitude for the safe & superior job you were doing in our project completion.

V. R. Peddi
