Press Release

Afcons adjudged India's `Most Innovative Company' for 2025

Mumbai, December 19, 2025: Afcons Infrastructure Limited has emerged as **India's most innovative company**, clinching two top honours at the **CII Industrial Innovation Awards 2025**. It received the **Grand Award for Top Innovative Company** (across all sectors and amongst all categories) and **Top Innovative Company in the Service Category (Large)** for its **Incredible Engineering**.

These accolades reaffirm Afcon's reputation as a **pioneer in engineering excellence and innovation-driven infrastructure solutions**, setting new benchmarks for the industry.

The recognition comes after a **rigorous three-stage evaluation** wherein over **900 leading organisations and multinational corporations participated for the award**. The process included an online application, assessor-led evaluation, and a final review by a **Grand Jury comprising Directors of IITs & IIMs, industry stalwarts, and international experts**. Afcon's cutting-edge innovations stood out during intense deliberations at this prestigious forum.

In addition to this recognition **Afcons** has the distinction of achieving `Global' recognition as the **Most Innovative Knowledge Enterprise (MIKE Award)** for 8 years in a row, awarded by a distinguished global jury. Both, this recent CII Industrial Innovation recognition and MIKE award in 2025, are a testament to the company's emphasis on innovation in every project it undertakes.
